WHO IS ELIGIBLE

Employee Eligibility

If you qualify under the Class Definition shown in the Schedule of Benefits you are eligible for coverage under the Policy on the Policy Effective Date, or the day after you complete the Eligibility Waiting Period, if later.

If you have previously converted your insurance under the Policy, you will not become eligible until the converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Disability Insurance benefits based on age or a change in class unless those conditions no longer effect the amount of coverage available to you.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired, you must satisfy a new Eligibility Waiting Period. You are not required to satisfy a new Eligibility Waiting Period if your insurance ends because you are no longer in an eligible class, but you continue to be employed by the Reform Pension Board and within one year you become a member of an eligible class.

You must be in Active Service throughout the Eligibility Waiting Period to be eligible for coverage. The Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

TY-005154-1

WHEN COVERAGE BEGINS

If you are required to contribute to the cost of your insurance you may elect to be insured only by making the required premium payment. The effective date of your insurance depends on the date coverage is elected and full premium payment is received by the Temple Service Agency or the Reform Pension Board. Insurance for an Employee who applies for coverage during an Annual Enrollment Period in January, July and August of each year or within 31 days of a Life Status Change, is effective on the latest of the following dates:

1. The date the required premium payment is made.
2. The date the completed enrollment request is received by the Reform Pension Board.

Coverage for Employees who apply during Annual Enrollment Period in January, July, and August of each year, is effective on the latest of the following dates:

1. The date required premium payment is made.
2. The date the Reform Pension Board received the completed enrollment/invoice form.

If your enrollment request is received more than 31 days after you are eligible to elect coverage or not during an Annual Enrollment Period, insurance is effective on the date we agree in writing to insure you. We will require you to satisfy the Insurability Requirement before we agree to insure you.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to Active Service.

TY-005155-1

WHEN COVERAGE ENDS

Your insurance ends on the earliest of the dates below.

1. The date you are eligible for coverage under a plan intended to replace this coverage.
2. The date the Policy is terminated.
3. The date you no longer qualify under your Class Definition.
4. The day after the period for which premiums are paid.

5. The date you are no longer in Active Service.

TY-005156

CONTINUATION OF INSURANCE

Continuation of Disability Insurance

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, your Disability Insurance will end when you are no longer Disabled or when benefits are no longer payable, whichever occurs first.

Continuation for Leave of Absence

If your Active Service ends because you take Reform Pension Board approved sabbatical leave of absence or approved unpaid leave of absence, we will continue your insurance for up to 30 days with respect to leave of absence and 12 months with respect to sabbatical leave of absence provided the Employee has continuous employment with one eligible Reform Pension Board Employer and if the required premium is paid.

If your insurance continues and you become Disabled during the leave of absence or sabbatical leave of absence, Disability Benefits will not begin until you satisfy your Benefit Waiting Period, or the date you are scheduled to return to Active Service, if later.

DESCRIPTION OF BENEFITS WHAT IS COVERED

Disability Benefits

If you become Disabled, as we define the term in the Definitions section, while you are covered under the Policy, we will pay you Disability Benefits. After you are Disabled, you must satisfy the Benefit Waiting Period and be under the care and treatment of a Physician. Also, we ask you to provide us with satisfactory proof of your Disability, at your expense, before benefits will be paid.

We will require continued proof of your Disability for benefits to continue.

Benefit Waiting Period

The Benefit Waiting Period is the period of time you must be continuously Disabled before Disability Benefits may be payable. Your Benefit Waiting Period is shown in the Schedule of Benefits.

We will not require you to satisfy the Benefit Waiting Period if benefits were payable to you under a Prior Plan on the Policy Effective Date and you return to Active Service within 6 months after this Effective Date and are Disabled again within 14 days. Your later period of Disability must be caused by the same or related causes for your Benefit Waiting Period to be waived.

Trial Work Days

Under this plan, you can attempt to return to Active Service without having to start a new Benefit Waiting Period if you cannot continue working, provided you have not worked for more than the specified number of days. A period of Disability is continuous even if you can return to Active Service for up to * during the Benefit Waiting Period. Your Benefit Waiting Period will not be extended by the number of days you returned to Active Service during this period.

- *Option 1: 30 days
- *Option 2: 15 days

Termination of Your Disability Benefits

Your Disability Benefits will end on the earliest of the dates listed below.

1. The date you earn more than 80% of your Indexed Covered Earnings
2. The date we determine you are no longer Disabled
3. The date the Maximum Benefit Period ends
4. The date you die

Successive Periods of Disability

Once you are eligible to receive Disability Benefits under the Policy, separate periods of Disability resulting from the same or related causes are a continuous period of Disability unless you return to Active Service for more than 6 consecutive months.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes, or your later Disability occurs after your coverage under the Policy ends.

The Successive Periods of Disability provision will not apply if you are eligible for coverage under a plan that replaces the Policy.

Pre-Existing Condition Limitation

We will not pay Disability Benefits for any period of Disability which is caused by, or contributed from, or results from a Pre-Existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which you incurred expenses, received medical treatment, care or services, including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before your most recent effective date of insurance.

The Pre-Existing Condition Limitation will apply to any added benefits or increases in benefits.

This limitation will not apply to a period of Disability that begins more than 12 months after your most recent effective date of insurance.

Except for any amount of benefit in excess of a Prior Plan's benefits, this limitation will not apply if you were covered under a Prior Plan and satisfied the Pre-existing Condition Limitation, if any, under that plan. If you were covered under a Prior Plan, but did not fully satisfy the Pre-existing Condition Limitation of that plan, we will credit you for any time you did satisfy. Time will not be credited for any day you were not in Active Service or were not actively at work due to Sickness.

Disability Benefit Calculation

Your Disability Benefit for any month Disability Benefits are payable to you is shown in the Schedule of Benefits. We base our calculation of Disability Benefits on a 30 day period. Benefits will be prorated if payable for any period less than a month.

Work Incentive Benefit

For the first 12 months you return to work your Disability Benefit is as defined in the Schedule of Benefits. If, for any month during this period, the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 100% of your Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

After 12 months, your Disability Benefit is as shown in the Schedule of Benefits, reduced by 50% of your current earnings received during any month you return to work. If the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 80% of your monthly Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

If you are working for another Reform Pension Board employer on a regular basis when Disability begins, your earnings will include the amount of any increase in the amount you are earning from this work while you are Disabled.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Other Income Benefits

While you are Disabled, you may be eligible for benefits from other income sources. If so, we reduce the Disability Benefits payable by the amount of such Other Income Benefits payable due to the same disability.

Other Income Benefits include:

1. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under:
 - a. the Canada and Quebec Pension Plans;
 - b. the Railroad Retirement Act;
 - c. any local, state, provincial or federal government disability or retirement plan or law as it pertains to your Employer;
 - d. any sick leave plan of the Reform Pension Board;
 - e. any work loss provision in any mandatory "No-Fault" auto insurance;
 - f. any Workers' Compensation, occupational disease, unemployment compensation law or similar state or federal law, including all permanent as well as temporary disability benefits.
2. any Social Security disability benefits you or any third party receive (or are assumed to receive*) either on your behalf or for your dependents; or, if applicable, which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any retirement plan benefits funded by the Reform Pension Board. "Retirement plan" means any defined benefit or defined contribution plan sponsored or funded by the Reform Pension Board. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any Employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan or 403(b) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If there is other insurance that applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts paid on account of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.
6. any wage or salary for work performed while Disability Benefits are payable, to the extent they exceed the amount allowed under the Work Incentive Benefit.

Dependents include your spouse and children or step-children.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

After we make the first deduction for any Other Income Benefits, any cost of living increases for Other Income Benefits, except for wage or salary, will not further reduce your Disability Benefit during a period of Disability.

Lump Sum Payments

Other Income Benefits or earnings that are paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated monthly over a five-year period.

If no specific allocation of a lump sum payment is made, we will assume the total payment is an Other Income Benefit.

Assumed Receipt of Benefits

We will assume you or your dependents, if applicable, are receiving Other Income Benefits if you are eligible to receive them. We will estimate the amount of these assumed benefits on the basis of what you may be eligible to receive.

We will not assume your receipt of Other Income Benefits if you give us proof of the following events.

1. Application was made for these benefits.
2. Reimbursement Agreement is signed by you.
3. Any and all appeals were made for these benefits, or we have determined further appeals will not be successful.
4. Payments were denied.

We will not assume you have received, nor will we reduce your Disability Benefits by, any elective, actuarially reduced, or early retirement benefits under such laws until you actually receive them.

Social Security Assistance

We will, at our own discretion, assist you in applying for Social Security Disability Income (SSDI) benefits. Disability Benefits will not be reduced by your assumed receipt of SSDI benefits while you participate in the Social Security Assistance Program.

We may require you to file an appeal if we believe a reversal of a prior decision is possible. If you refuse to participate in, or cooperate with, the Social Security Assistance Program, we will assume receipt of SSDI benefits until you give us proof that you have exhausted all the administrative remedies available to you.

Minimum Benefit

We will pay the Minimum Benefit regardless of any reductions made for Other Income Benefits. However, if there is an overpayment due, this benefit may be reduced to recover the overpayment.

Recovery of Overpayment

If we overpay your benefits, we have the right to recover the amount overpaid by either requesting you to pay the overpaid amount in a lump sum or by reducing any amounts payable to you by the amount due. If there is an overpayment due when you die, we will reduce any benefits payable under the Policy to recover the overpayment.

ADDITIONAL BENEFITS

Rehabilitation During A Period of Disability

If you are Disabled and we determine that you are a suitable candidate for rehabilitation, you may participate in a Rehabilitation Plan. We must agree on the terms and conditions of the Rehabilitation Plan.

We may require you to participate in a rehabilitation assessment, at our expense, and/or Rehabilitation Plan. We will work with you, the Reform Pension Board, your Physician and others as appropriate, to develop a Rehabilitation Plan. If you refuse to participate in the rehabilitation efforts, Disability Benefits will not be payable.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

A "Rehabilitation Plan" is a written agreement between you and us in which we agree to provide, arrange or authorize vocational or physical rehabilitation services.

Spouse Benefit

While you are Disabled, your Spouse may, at our option, be eligible to participate in a Rehabilitation Plan. To be eligible, the following conditions must be met.

1. You must be continuously Disabled for 12 months
2. Your Spouse's earnings must be 60% or less than your Covered Earnings
3. Your Spouse must be determined by us to be a suitable candidate for rehabilitation

The Spouse's Rehabilitation Plan may include, at our discretion, payment of your Spouse's education expense, reasonable job placement expenses and moving expenses. It may also include family care expenses if necessary for your Spouse to be retrained under the Rehabilitation Plan.

Disability Benefits will be reduced by 50% of your Spouse's earnings from Rehabilitative Work. If your Spouse was working before the Rehabilitation Plan begins, Disability Benefits will be reduced by 50% of the increase in income that results from your Spouse's participation in the program.

"Spouse" means your lawful Spouse living with you on the date your Disability begins. The Rehabilitation Plan will end if your Spouse is not living with you during the term of the agreement.

TY-005189-1

Conversion Privilege

If your insurance ends because you are no longer employed by the Reform Pension Board, or you are laid off or on an uninsured leave of absence, you may be eligible for long term disability conversion insurance. To be eligible, you must have been insured for Disability Benefits and actively at work for at least 12 months. You must apply for conversion insurance within 62 days after your insurance ends.

The benefits of the conversion plan will be those benefits offered at the time you apply. The premium will be based on the rates in effect for conversion plans at that time.

You may not convert your insurance if any of the following conditions apply to you.

1. You are retired or age 70 or older.
2. You are not in Active Service because of Disability.

3. The Policy is canceled for any reason.
4. You are no longer in a Class of Eligible Persons, but are still employed by the Reform Pension Board.

TY-005184

Cost of Living Adjustment (COLA) Benefit

Each year after you are continuously Disabled and 12 Disability Benefits are payable, we will increase your Monthly Benefit. The increase will be the lesser of the annual increase in the Consumer Price Index (CPI-W) during the preceding calendar year or 6%.

The increase will become effective on January 1. We will not apply this increase to the Minimum or Maximum Disability Benefit. Nor will we apply it to the formula used to determine your Work Incentive Benefit, if any.

TY-005815

Survivor Benefit

We will pay a Survivor Benefit if you die while Disability Benefits are payable and at least 6 Monthly Benefits have been payable to you for a continuous period of Disability. The Survivor Benefit will equal 100% of the sum of the last full Disability Benefit payable to you plus any current earnings by which the Disability Benefit was reduced for that month. These benefits will be payable for 12 months.

We will pay the Survivor Benefit to your Spouse. If you do not have a Spouse, we will pay your surviving Children in equal shares. If you do not have a Spouse or any Children, no benefits will be paid.

"Spouse" means your lawful spouse. "Children" means your unmarried children under age 21 who are chiefly dependent upon you for support and maintenance. The term includes a stepchild living with you at the time of your death.

TY-005191

The work may be your own occupation or any occupation. The work arrangements include, but are not limited to: reassigned duties, work site modifications, flexible work arrangements, job adaptations, and special equipment. Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

The Insurance Company may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

For plans subject to the Employee Retirement Income Security Act (ERISA), the Plan Administrator of the Reform Pension Board's employee welfare benefit plan (the Plan) has selected us as the Plan fiduciary under federal law for the review of claims for benefits provided by this Policy and for deciding appeals of denied claims. All statements made by the Reform Pension Board or by an Employee are deemed representations and not warranties. No such statement will cause us to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to such person; or in the event of your death or incapacity, your beneficiary or representative.

After two years from the Employee's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.

Male Pronoun

The male pronoun as used herein will be deemed to include the female.
